Response Dated: October 27, 2004

Title: DIRECTED LIFESTYLE RESIDENTIAL HOUSING STRUCTURES

App. No.: 10/664,526 Inventor: Robert J. Apel Group Art Unit: 3626

Amendment(s) to the Claims

The following listing of claims replaces all prior versions and listings of claims in

the present application:

Listing of Claims:

1. (previously presented) A residential housing unit, comprising:

a) two independent living units,

b) common space, wherein said common space connects said two independent

living units, and

c) two property lots.

2. (previously presented) The residential housing unit of claim 1, wherein said two

independent living units are of different sizes.

3. (previously presented) The residential housing unit of claim 1, wherein said

common space further comprises a center wall.

4. (previously presented) The residential housing unit of claim 1, wherein said

common space is selected from the group consisting of a Florida room with

screens or windows, a porch, a hallway, a breezeway, a private or shared activity

room, a private or shared laundry room, a dining room, and an exercise room.

5. (previously presented) The residential housing unit of claim 1, wherein said two

independent living units are deeded to two owners.

6. (previously presented) The residential housing unit of claim 1 further comprising

two garages, wherein each said garage is attached to each independent living

unit.

Title: DIRECTED LIFESTYLE RESIDENTIAL HOUSING STRUCTURES

App. No.: 10/664,526 Inventor: Robert J. Apel Group Art Unit: 3626

7. (previously presented) The residential housing unit of claim 1, wherein said two

independent living units each contain a frontal access door.

8. (previously presented) The residential housing unit of claim 7, wherein said each

frontal access door faces the same direction.

9. (previously presented) A housing unit comprising:

a) two structures for the purpose of providing habitation by humans, wherein

each of said two structures is connected to the other said structure by a

common space,

b) said two structures each containing a frontal access door, and

c) said two structures each built upon their own property lot.

10. (previously presented) The housing unit of claim 9, wherein said common space

is selected from the group consisting of a Florida room with screens or windows,

a porch, a hallway, an enclosed or open breezeway, a private or shared activity

room, a private or shared laundry room, a dining room, and an exercise room.

11. (previously presented) The housing unit of claim 10, wherein said common space

further comprises a center wall.

12. (previously presented) The housing unit of claim 9, wherein said housing unit is

built with said common space equally divided across a property line which

divides said two property lots.
